We have completed the below SDKs to enable just do the following steps:

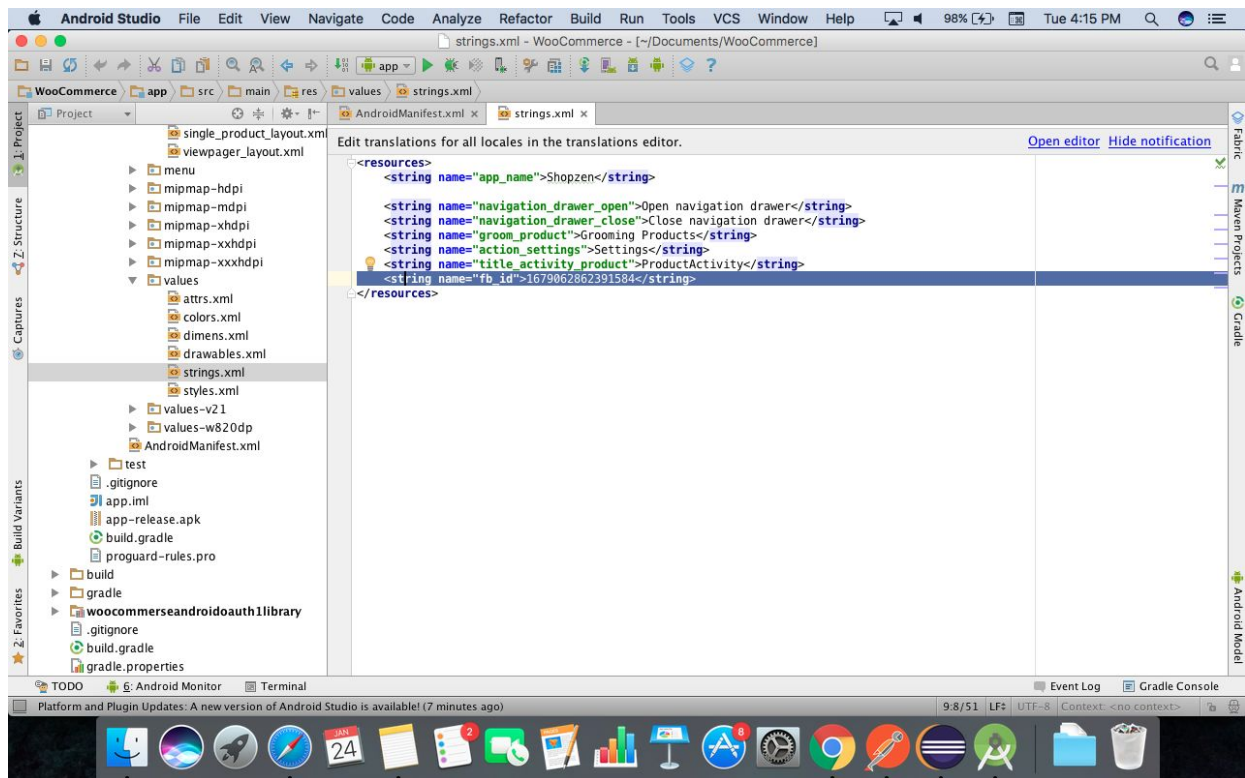

- Facebook
- Paypal
- Google maps
- Onesignal push notification

**Facebook:** Register your APP with [developer.facebook.com](https://developer.facebook.com)

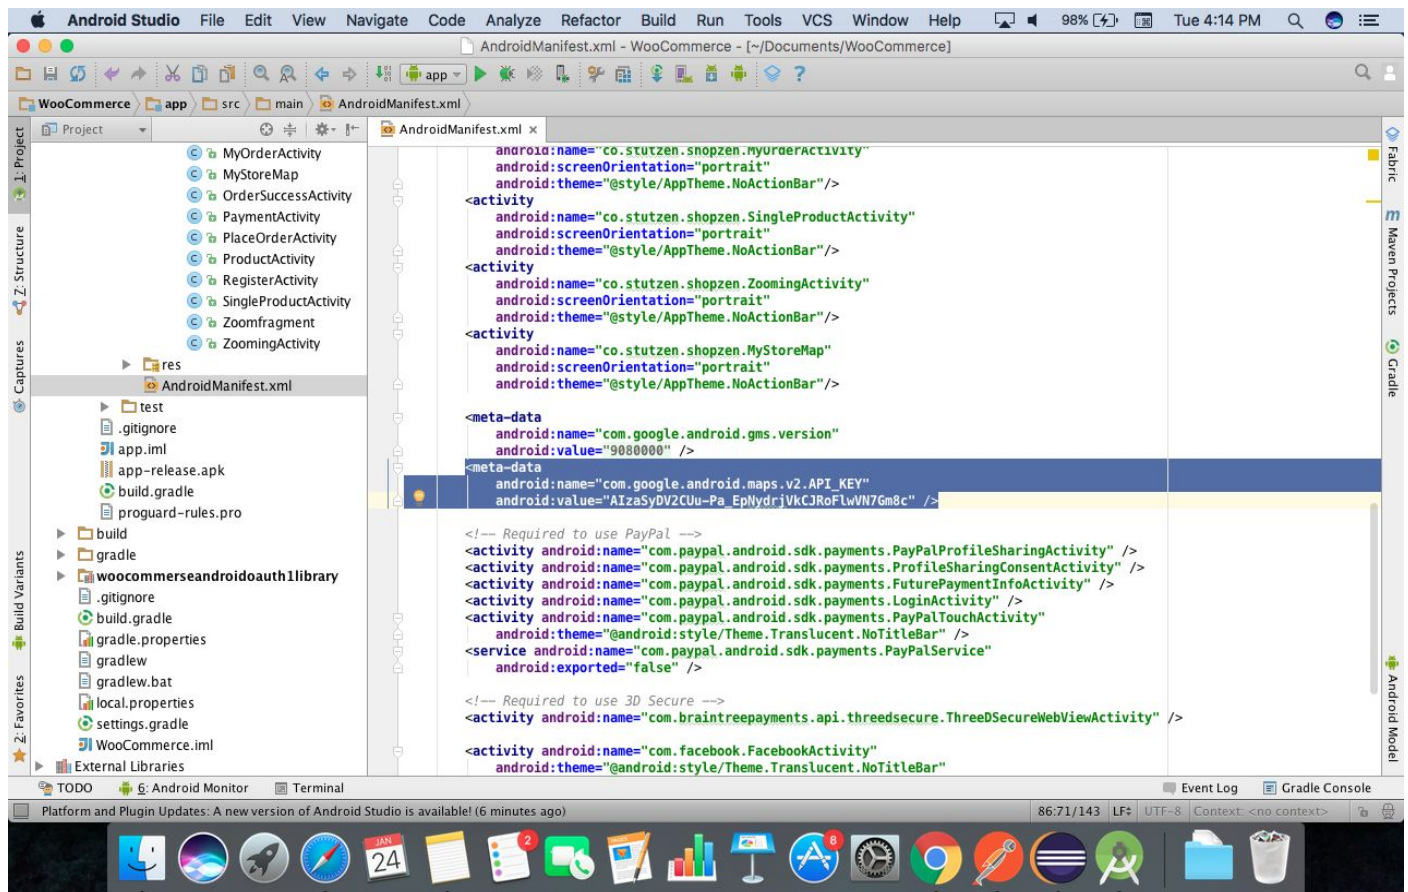

# SHOPZEN

After the registration you will get an id for app place that id in string.xml and now you can access your app with facebook login.

# SHOPZEN

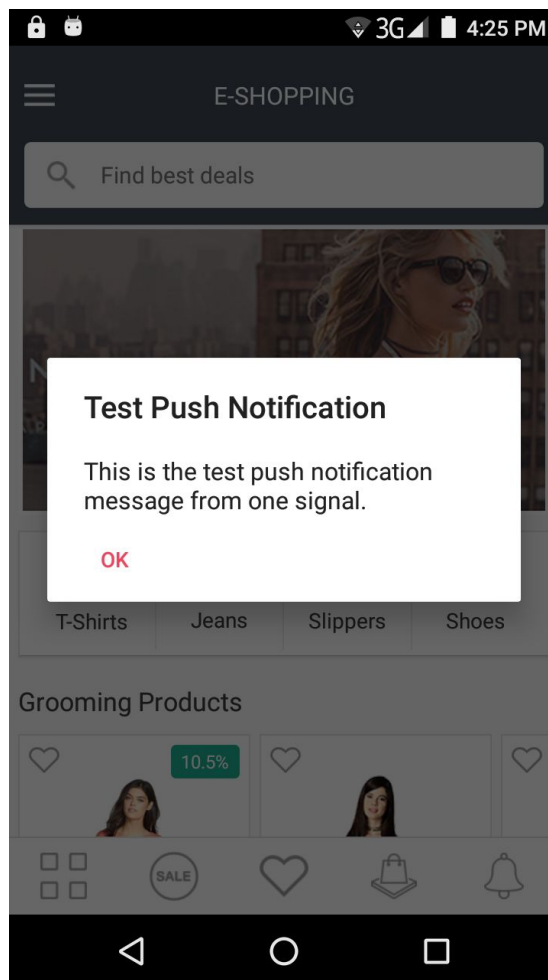

**Google maps:** To enable google map you need to get API key from [console.developers.google.com](https://console.developers.google.com) paste the API key in android manifest.xml file

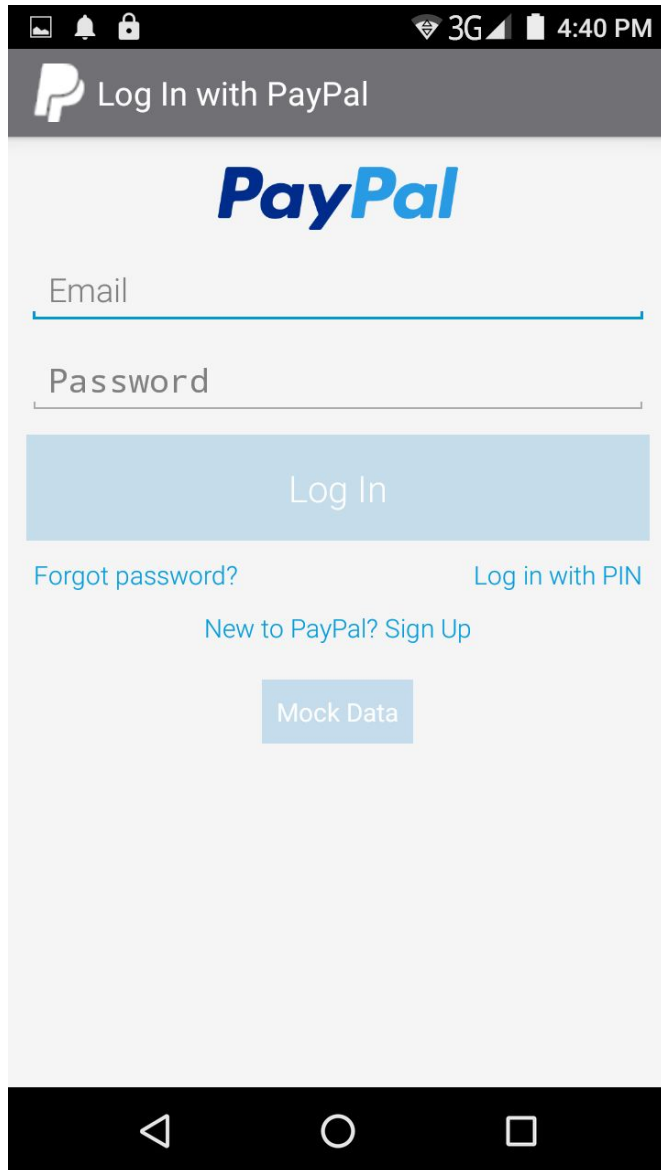

# SHOPZEN

**One signal push notification:** To enable one signal push notification login with [onesignal.com](https://onesignal.com) and create a new app

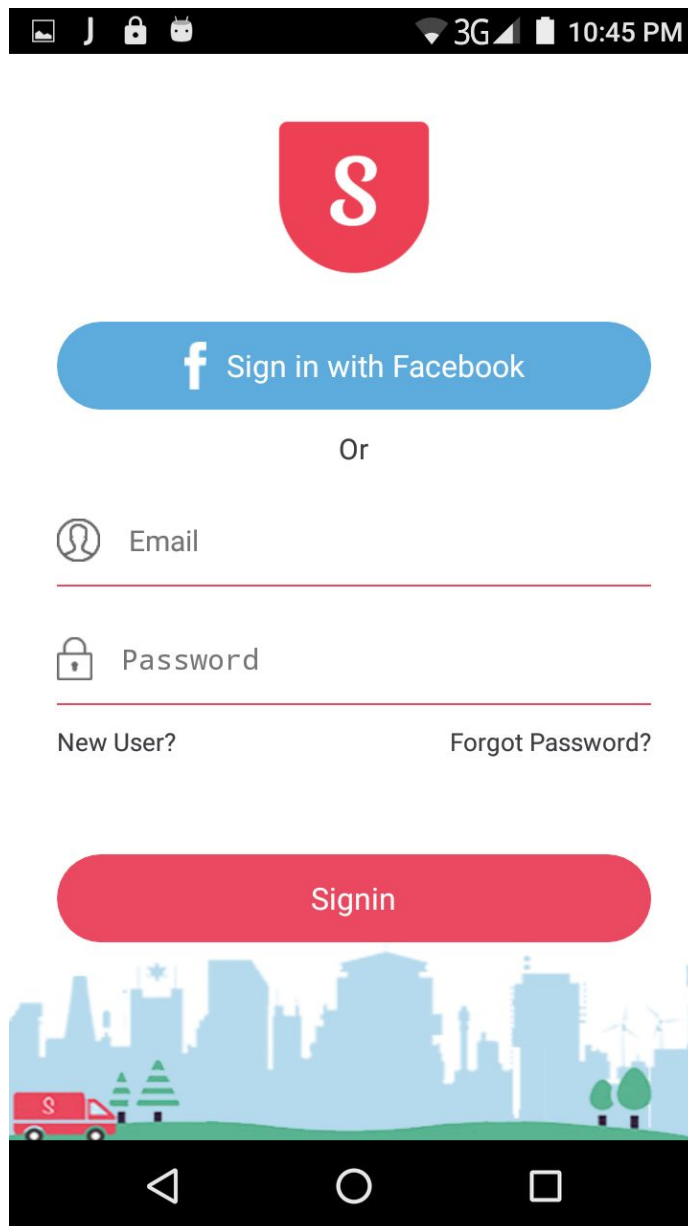

# SHOPZEN

**Paypal:** To enable paypal gateway login with <http://developer.paypal.com>. from there you will get the mechant ID, public and private key replace the keys in Appconstants.java file. now the paypal can be successfully integrated.

Login to your account

The image shows a mobile app login screen for ShopZen. At the top is a black status bar with icons for camera, signal, lock, battery, and time (10:45 PM). Below the status bar is the ShopZen logo, a red shield with a white 'S'. Under the logo is a blue button with a Facebook 'f' icon and the text 'Sign in with Facebook'. Below this button is the word 'Or'. Then there are two input fields: one with a person icon and the label 'Email', and another with a lock icon and the label 'Password'. Below the password field are two links: 'New User?' and 'Forgot Password?'. At the bottom is a large red button with the text 'Signin'. Below the button is a decorative illustration of a city skyline with a red delivery truck in the foreground. At the very bottom is a black navigation bar with three white icons: a triangle, a circle, and a square.

we can use either gift wrap or coupon for order

The screenshot shows the 'PLACE ORDER' screen in the ShopZen app. At the top, there's a status bar with icons for signal, battery, and time (10:44 PM). Below the status bar, the screen title is 'PLACE ORDER' with a back arrow on the left and 'Step 1/3' on the right. The main content area is divided into two sections. The top section has two columns: the left column is for a coupon, labeled 'TESTCODE' and 'Add Coupon' with a red coupon icon and a green checkmark; the right column is for gift wrap, labeled '50 Rs' and 'Gift Wrap' with a red gift icon and a green checkmark. The bottom section is a summary table with the following items:

Total	13450 Rs
Discount	10%
Sub Total	12105 Rs
Coupon Discount	-500 Rs
Home Delivery	Free
Total Payable	11655 Rs

At the bottom right of the screen, there is a red button labeled 'Place Order'. The bottom of the screen shows the Android navigation bar with back, home, and recent apps icons.

# SHOPZEN

The screenshot displays a mobile application interface for ShopZen. At the top, the status bar shows icons for signal, battery, and time (4:40 PM). Below the status bar, there is a dark header with the ShopZen logo and the text "Log In with PayPal". The main content area is light gray and contains the PayPal logo, followed by input fields for "Email" and "Password". A large blue "Log In" button is positioned below the password field. Underneath the button, there are three links: "Forgot password?", "Log in with PIN", and "New to PayPal? Sign Up". At the bottom of the main content area, there is a blue button labeled "Mock Data". The bottom of the screen features a black navigation bar with standard Android navigation icons (back, home, recent apps).
